Subject: Appointments to Missouri GIS Advisory Committee

To all:

I am very encouraged by the activity and achievements of the Missouri GIS Advisory Committee as well as the growth and outreach of the Missouri Spatial Data Information Service across Missouri and the region over the past year. It is evident that the GIS user community is continuing to organize, coordinate, expand and grow. The Committee has provided both a forum and focus for these geospatial activities and has aided its success. I look forward to the continued growth of GIS activities within state government as well as among federal, state and local governmental stakeholders. The continued involvement of this Committee is helping to develop the trajectory for these technologies within the state.

The following individuals have been nominated by their colleagues to serve on the Missouri GIS Advisory Committee for the two-year term starting July 1, 2010 through June 20, 2012.

**State**

Debbie Briedwell – SEMA – term expired, approved for two-year term

Jeff Schloss – OA-ITSD - term expired, approved for two-year term

**Cooperating**

Aaron Addison – Washington University - term expired, approved for two-year term

Mark Allen – Lafayette County - term expired, approved for two-year term

Elizabeth Cook – USDA - term expired, approved for two-year term

Andrew Wagner – City of Maryland Heights – new nominee, approved for two-year term

After conferring with the State Geographic Information Officer, I appoint the above individuals to serve on the MGISAC. These individuals join the following sitting membership.

**Ex-officio Members**

Mark Duewell, Missouri Spatial Data Information Service (MSDIS)

Tim Haithcoat, State of Missouri, Geographic Information Officer (GIO)
